

In Loving Memory of Peggy Waskom

Peggy exhibited grace, compassion, and ingenuity. She was a strong supporter of the Atlanta Apartment Association Food Drive and the Can Can Ball, both of which benefit the Atlanta Food Bank. Her intellect, humor and ability to forge strong and lasting relationships made her stand out in not only her professional circle, but also in her personal life. She was a kind and loving mother, wife, daughter, aunt and friend. Those who were fortunate to have met and worked with Peggy feel honored to have known such a loyal and uniquely talented individual. She is fondly remembered and lives within many of us.

Peggy loved Tiffany and the little blue box. Each year of the Can Can Ball, a Tiffany gift will be donated in her honor.

This year, this precious gift was donated by her loving and long term friend, Brian Sutherlin.
